--For a car group **H2** for **4days in the price of 287euro (Including FDW, 1st additional driver, 15euro delivery fee)**.

Your confirmation code is 26162.

Our representative will wait for you in the airport outside Gate 5 **on 01/10 at 10:15**, with a label in which your name will be written on it. In case that we cannot find you we will call you to your mobile (be sure that it is in function in abroad).

For the dropping off location we would recommend the Metro Station "Syggrou" cause it is easier to our representative to reach you by metro and pick up the cars on 04/10.

We remain at your disposal for any further information.

We are looking forward to meeting you and we wish you a nice flight and a pleasant stay in Athens.

Finally, thank you for choosing our company for your car rental.

Best Regards,
